SEEKING LANDSCAPE INSTALLERS

Looking for a landscape installation professional to join our team. Our focus is on sustainable landscape installation including xeriscape conversions, native gardens, plantings, stonework, and irrigation. We generally work M-F, 8:00 am – 4:00 pm, but can be flexible according to your schedule (we may consider a part-time schedule for the right candidate(s)). Must have reliable transportation and a general knowledge of plants, horticulture and landscaping. Experienced candidates preferred.

BENEFITS OF WORKING AT BLUE SPRUCE:

- Educational work environment - training is provided
- Flexible scheduling, vacations are OK within reason
- Fun and relaxed work culture
- Occasional Fridays off or out to lunch
- Regular team bonding activities (hangouts, barbecues, etc.)
- Starting pay at \$20+ and up depending on experience. **Higher pay for proven experience.**

REQUIREMENTS/DESIRED QUALITIES:

- Proactive communicator, reliable, positive attitude, team player, and a hard worker
- Ability to keep good attitude while getting dirty, working long hours in the heat, cold, rain or wind
- Preferred that you have least 1 year experience working on a landscape/gardening crew
- Preferred that you have some experience working seasonally i.e. farming, landscaping, trail work
- Must have general horticultural knowledge, bonus points for having taken horticulture classes
- Desire to learn is required
- Desire to return to company for additional seasons or advancement

WHAT TO EXPECT:

- Guaranteed employment March – December with potential for year-round employment for right candid. Up to 40 hours per week with possibilities for occasional overtime. Weekly hours will be agreed upon when offered a position. Priority will be given to a candidate seeking a full 40-hour work week. Opportunities for winter break or winter hours and work depending on preference and availability.
